

Signposting Service

Our Signposting Service is in the main foyer of Lyminster Hospital every Wednesday from 10am to 4pm for free advice, including a display of useful mobility equipment and daily living aids

This is a free service available to everyone

An Advisor from New Forest Disability will be on hand to answer your questions and listen to your enquiries

Other organisations will also be available to offer advice eg Carers Together, Oakhaven and others from time to time please ask for details, check our website and read the local press.

A static display of useful information leaflets are available when we are not – please help yourself!

who are New Forest Disability?

New Forest Disability is a charity that provides free, impartial, confidential disability related information and advice to anyone in the New Forest area.

for In-patients

Our Outreach Advisors visit Lyminster Hospital wards three times a week, usually on Mondays, Wednesdays & Fridays between 2pm and 4pm

Anyone may ask to see our Outreach Advisor....
....patients, family members, staff....
...and our advice is FREE to everyone.

Whilst in hospital you might see a Social Worker should you need a package of care set up for when you go home.

New Forest Disability work alongside Adult Services, complimenting their role by providing advice to promote independence whilst ensuring no one misses out on access to quality advice for the patient, their families and carers.

we can help you in so many ways:

We can provide information and advice on many topics including:

- * welfare benefit advice and applications
- * equipment suitability and provision
- * information for carers
- * Blue Badge applications
- * lifeline alarms
- * transport options
- * social groups & clubs
- * companies supplying cooked meals
- * signposting to other organisations

Plus anything else you wish to ask!

In-patients may text your name and ward

or
telephone 07507785728
to request a visit from an Advisor
or telephone our
helpline: 01425 628750

equipment:

We sell a wide range of new and lightly used mobility equipment and daily living aids

Please feel free to discuss your needs.
