

## Information Service

Our Information and Advice Service is available to anyone for free advice, including information on:

useful mobility equipment and daily living aids

where you may purchase new or lightly used equipment

we have a large database of contact information and can advise you on anything non-medical that may be affecting your daily lives

we also have advisors who can complete welfare benefit forms and Blue Badge applications

please note: during the Covid-19 pandemic all our appointments are handled over the telephone

call initially to discuss your needs and if appropriate to make an appointment at the appointed time your advisor will telephone you in the comfort of your own home

## who are New Forest Disability?

New Forest Disability is a charity that provides free, impartial, confidential disability related information and advice to anyone in the New Forest area.

### for In-patients

Our Outreach Advisors normally visit Lymington Hospital wards, during the Covid-19 situation you or someone else, need to phone our helpline.

Anyone may ask to see our Outreach Advisor ....  
 ...patients, family members, staff....  
 ...and our advice is FREE to everyone.

Whilst in hospital you might see a Social Worker should you need a package of care set up for when you go home.

New Forest Disability work alongside Adult Services, complimenting their role by providing advice to promote independence whilst ensuring no one misses out on access to quality advice for the patient, their families and carers.

## we can help you in so many ways:

We can provide information and advice on many topics including:

- \* welfare benefit advice and applications
- \* equipment suitability and provision
- \* information for carers
- \* Blue Badge applications
- \* lifeline alarms
- \* transport options
- \* social groups & clubs
- \* companies supplying cooked meals
- \* signposting to other organisations

Plus anything else you wish to ask!

In-patients may text your name and ward or  
 telephone 07507785728  
 to request a visit from an Advisor  
 or telephone our  
 helpline: 01425 628750

## equipment:

We sell a wide range of new and lightly used mobility equipment and daily living aids

Please feel free to discuss your needs.
